

Cleveland Engineering Society Board Nomination Entry Form

The Cleveland Engineering Society (CES) recognizes that you are interested in acquiring one of the open seats currently available for the 2022 – 2024 term.

With that said, we would like you to tell us a little bit about yourself and why you are interested in becoming a Board Member.

Once we receive all the nominations, we, along with the Executive Board, will review and compile a list of the top nominees. We will then send the list to the CES Board and request that they cast their votes.

Good luck!

Thank you,
CES Membership & Nominating Committee
