

Cleveland Engineering Society Leadership Award Call for Nominations

The CES Leadership Award exists to recognize and honor an individual who promotes the advancement of technology and supports the mission of CES. Criteria for the award are:

- Creative contribution to the welfare of the scientific, engineering, or allied professions, including academia;
- Leadership in service to CES if a member, and/or to his profession in technical organizations other than CES;
- Technical direction with evidence of accomplishment of important scientific, academic or engineering work;
- Output of publications and patents;
- Recognition for his/her achievements by his/her profession;
- Establishment of important scientific, engineering or related courses in a school of recognized standing;
- Involvement in community and/or civic activities.

Since 1987, CES has recognized many outstanding individuals who have made great technical contributions to the Cleveland area.

Nominations for the CES Leadership Award must include a bio of the nominee and a letter of nomination delineating the reasons for the selection.

Send nominations to Leadership Award, Cleveland Engineering Society, 1768 East 25th Street, 4th Floor, Cleveland OH 44114; email to contactces@cesnet.org. Nominations are due by 5:00 PM, Friday, May 31, 2019.

The leadership award will be presented at the 139th CES Annual Meeting on Thursday, June 27 at the Great Lakes Brewing Company Tasting Room, 2701 Carroll Ave, Cleveland, OH 44113.

CES Mission: To serve the educational and professional development needs of technical professionals and their employers, encourage young people to pursue careers in science and engineering, and foster the exchange of information and ideas to advance development and recognition of the region as a technology center.
